OUR MENU

Our whole menu has been put together according to the training needs of our students and the liking of our guests, enriched by some Fusion specials by our Chef, some Swiss favourites and many vegetarian creations (many of which are completely vegan).

At HAVEN we promise that all vegetarian resp. vegan dishes are what they promise to be (no hidden ingredients, like the popular animal products usually used for cooking in Asia). Labels vegetarian (V), vegan (VG) and vegetarian with vegan option (VG-O).
